FROM THE OFFICE OF THE PRESIDENT

Foreword

Welcome again to the amazing and wonderful world of National Tournament Pool Checkers. Games in this edition were played and recorded during the 34th Annual National Tournament (July 12-16, 1999) at The Wilson World Hotel and Suites, 2715 Cherry Rd., Memphis, Tennessee 38118. 127 games played by International Grand Masters, Carl "Buster" Smith, Iser Kuperman, and Vladimir Kaplan, in past tournaments, have been added in this expanded edition to bring the total number of games displayed here to 256.

By studying these games, you most certainly will improve your own game. Make notes and try to determine when and why games were lost and where drawn games may have been won. Go over games with players in your area.

Games here are indexed by number and first move, and roughly by rank order of players in the division of play. APCA Tournament divisions are as follows from highest to lowest: Top Master(TM), Masters(M), Junior Master(JM), Gold Bar(GB), and Blue Ribbon(BR). The results of each game are indicated by BW for Black Wins; WW, White Wins; or D for Draw. In all games the Black side moved first. Each game is pictured after the 15th move unless a decision was reached earlier in which case the game is shown as it appeared on the last move recorded.

The end game section presents problems for you to improve your end game skills and checkers acuity. Space has been provided for you to note solutions. If you are stumped on any game or end game problem, consult a higher level player in your area, call one of our national consultants, or call or write me.

Best wishes for improved play and a higher finish in all your future tournaments.

Plan now to attend the 2000 Tournament in Columbus, Ohio and the 2001 Tournament in Nassau, Bahamas.

**Alfred "East Point" Barnett**  
**APCA NATIONAL CHAMPION**  
**1995-1999**

There was quite a stir in the Tournament Room this year as preliminary impressions were that East Point might be dethroned by the boy wonder of Flint, Michigan, Elton Williams. However, when the scores were closely checked again and all the smoke cleared it came clear that East Point had won for the 5th straight tournament and was crowned champion again of the American Pool Checker Association. The earlier impression of the dethroning came because Elton beat East Point the two games he played him and up to the last day Elton had not lost a game. He only lost one game on the last day of the tournament. However, sticking to his proven strategy of winning, through bold, aggressive, and risky play which inevitably results in losses, East Point won again by, producing six more wins than Elton, his nearing competitor and seven more than Calvin Monroe.

Our hats are off to East Point, the boy wonder from East Point, Georgia, who has continued to mature and develop his game to the point where he is now by experience and achievement recognized as the best pool checker player in the world, bar none. He is open to challenges and matches from anyone who dares to play him. Hopefully, other pool checker greats will come forth to challenge him in the months and years to come while East Point is still active and at the top of his game. Clubs and localities are invited to sponsor such matches with remuneration respectful of this level of sports achievement.

East Point now has a passion to promote our game and to help it to gain the national and international exposure and popularity that other sports have gained. Kenneth Rollins interviewed and wrote up an article in the Atlanta Journal-Constitution, August 5, 1999, where he quotes East Point as saying that, "he is talking to schools, churches, anyone who will listen about his dream: fresh, young competitors, corporate sponsors and bigger purses for the game's practitioners." He believes pool checkers can earn a place in the national consciousness, just like chess, billiards or bowling.

East Point is fast approaching the records of the two longtime APCA Champions: Carl Smith, 5 straight titles and 11 overall; and Iser Kuperman, seven straight titles, seven overall. Now at 51 and in good health, East Point should reach and pass, one or both of these outstanding records.
